Objective

Dedicated College Student focused on achieving a Mechanical Engineering degree. Very motivated to seek an internship to gain hands-on industry experience. Outgoing and friendly individual with a drive to succeed. Highly motivated with a desire to take on new and exciting challenges.

Education

Lyon College (Fall 2020 – Spring 2022)

- Completed four semesters in the Pre-Engineering Curriculum and finished with a 3.75 Cumulative GPA.
- Started a Minor in Mathematics
- While attending, received the Presidential Scholarship and a Golf Athletics Scholarship.

University of Arkansas

- Completed a Minor in Mathematics (Fall 2022)
- Fall 2022 and Fall 2023 Semesters finished with a 4.0 GPA making the Chancellor's List
- Continuing Education towards a Bachelors in Mechanical Engineering

Completed Relevant Courses:

- Mechanics of Fluids
- Dynamics
- Statics
- Thermodynamics

Work Experience

Golf Course Maintenance (May 2023 – Present)

Part of a crew of twelve people at Fayetteville Country Club. My job on this team is to mow and roll greens, maintain bunker conditions, and irrigation control when needed.
