EDUCATION

Bachelor of Science - Computer Science

Stanford University | Stanford, CA

2023 – 2027

Newport High School

Newport, WA

2019 - 2023

EXPERIENCE

IT Support Specialist

Newport School District | Newport, WA

June 2022 – August 2022

- Assisted the school district's IT department in preparation for the coming school year
- Imaged staff computers, enrolled and deployed school-issued Chromebooks around the district, maintained and replaced technology in classrooms around the district

Grounds Maintenance

Newport School District | Newport, WA

August 2024 – September 2024

- Maintained Newport School District, both in and out of the buildings. Ensured the many athletic fields were measured and painted correctly.
- Worked with staff to ensure the quality of classrooms would create an excellent learning environment

Board Member, Alumni Representative, Washington Technology Student Association

Remote Position

March 2023 – present

- Participate in organization board meetings, advocating for alumni, and reporting on recent activities. I also manage the alumni pool, recruiting members for conference judging, mentoring, and more.

State Officer, Washington Technology Student Association

State Vice-President

March 2022 – March 2023

State Sergeant-at-Arms

March 2021 – March 2022

- After being elected by the members of Washington Technology Student Association (TSA), I planned and managed numerous in-person and virtual events, socialized with peers and adults from around Washington state, and worked with state legislators. Throughout my terms I have prepared and performed many speeches in front of hundreds of my peers to advocate for Washington TSA.
